PROFILE

Enthusiastic and motivated Python Developer with a good understanding of programming concepts and Python fundamentals. Skilled in writing clean and efficient code, and eager to learn new technologies. Looking for an opportunity to apply my skills in real-world projects, contribute to team success, and grow as a software developer. **Looking for an internship.**

PROJECT

- **Hairology Studio**

  - Designed and developed a project for Hairology Studio, a premium salon.
  - Showcased professional hair and beauty services in a clean and attractive layout.
  - Focused on user-friendly design and smooth navigation.
  - Highlighted salon branding, hygiene standards, and personalized customer care.
  - Presented services, contact details, and salon information clearly.
